

Fairfax Public Access

Become an active member at FPA by participating in our various networking programs. Review the following member options and let us know which ones you would like to be a part of

Check the networking option(s) you wish to join and complete the back of the form:

- 1. ___ Join our volunteer E-mail
2. ___ Join our volunteer print list
3. ___ Join our producer print list
I'd like to receive an email group to receive job openings and career opportunity announcements

1. After completing a course (such as Studio Camera), members can join the volunteer E-mail group to begin receiving crew announcements via E-mail. The training department shares such announcements periodically on behalf of producers who need assistance with their upcoming shows. NO PRIVATE CONTACT information will be shared with other members and only FPA staff will be able to send these announcements.

2. The Training Department maintains and prints a green volunteer list, which we make available to other FPA members and producers. This list is extremely helpful for producers looking to find crew assistants and for newly certified students that wish to promote their skills at the station.

3. The Training Department also maintains and prints a yellow producer list, which we make available to others interested in learning more about the shows that air at FPA. This list is extremely helpful for students that are attempting to find a show. We highly encourage producers to join this list if they are looking for volunteers to crew in their upcoming shows.

(In order to keep these lists as accurate as possible, please keep informing the training department or submitting new forms when you gain new equipment skills or if any of your contact information has changed)

FPA also offers a Friday Night Live mentoring program. Staff will arrange the production, guide the volunteer crew and edit the show for airing. FNL sessions are open to all FPA members certified in our studio A and B equipment. We also invite producers to participate as guests to discuss their shows or members who wish to showcase their talents. For additional information pick-up a copy of our Friday Night Live pamphlet or our course catalog.

To join the networking programs please complete the following information

Member name: _____

E-mail: _____

Phone: _____

- Note: in order to join the volunteer E-mail or print list you must have completed at least one of our equipment training courses such as the intro Studio Camera class.
