FPA

Fairfax Public Access

Q2
2014

**Membership Committee
News Flash**

CONGRATULATIONS
Go out to our top Channel 10 TV producer Jorge Mera and his show "Healthy You" for winning the last producer contest.

We also want to thank our volunteers that helped during the months of April thru June. With a special congratulations and thanks to our top three volunteers.

- Mady Garcia
- Keri Rafter
- Gail Ruf

Please note that our next volunteer contests is currently underway for the months of July - Sept. Keep turning in those green forms to try and win top honors at the end of the current quarter as well.

Please keep checking with us for details on the next producer contest.

earn
DOUBLE
Volunteer Credits
during our July - Dec 2014 semester
by helping in these key production positions

- CG/Deko Graphics
- Technical Directing
- Video Editing

From July 1st thru December 31st FPA will be having a new incentives program which will **DOUBLE** the volunteer credits earned by members who help crew in the following three positions: Studio CG/Deko graphics, Studio Technical Directing and Video Editing. For each typical 3 hour volunteer session completed and for each green volunteer form submitted instead of earning the typical \$20 dollars of credits members will earn \$40 per session.

Please note that only members that have taken the proper training and are certified to use this equipment can volunteer.

Get involved and help with these on demand positions. Our producers will welcome any help you can provide.

Reminder to members and producers,

The Training Dept. maintains both the TV producer and available volunteer crew lists and in order to help members connect with one another we want to remind all to contact us at the Training Dept. to provide us with the most recent contact information for each. Members can also submit a new networking form every time they wish to update the information in either list.

Remember to also stay connected and keep in touch with posts by participating in our GetLinked member forum (<https://forum.fcac.org>).

FOOD DRIVE

Helping our Fairfax County Community!

Fairfax Public Access is holding a food drive from July 14th to September 30th, 2014 to benefit Food for Others, a local non-profit food bank and food Rescue operations.

The next time you are in for a class, studio production, or other FPA member activities, please bring a food item to donate if possible. Brightly colored donation bins are located at the Equipment Room entrance and next to the Reception area.
